10 Jahre Dachverein Spielgruppen Baden

The **Dachverein Spielgruppen Baden** is celebrating its 10th anniversary in 2014. The association for playgroups in Baden has a performance agreement with the city of Baden and is also subsidized by the city. You can find our basic principles, as well as our pedagogic concept, on our homepage.

Our offer

The children in our groups play with children their own age. They acquire friends, move, paint, do woodwork, sing, play music, listen to stories, learn to quarrel, learn to make-up and much more. In the playgroup the games and the creative offers are voluntary. The children can stick to their own rhythm. Our qualified personnel are here to support the children with their needs, to help them in their development and to aid you and your child during the first stages of learning to "separate".

We are proud to be able to have a second person for groups exceeding 9 children. This raises the quality and the care the children receive and allows them to individually develop.

Contact with the parents

Exchange with the parents is very important for us. We are always available for a talk on the telephone or a personal exchange. During the year the playgroup organizes events where the parents are invited to join. This provides the possibility for the parents to get to know each other and to exchange their experiences.

Monthly fees

2.5 hour playgroup	09:00 – 11:30 / 13:30 – 16:00	Fr. 67.00
